A copy of a sahadari granted to the matha in 1843 when the Swami intimated his desire to visit Mysore from Tanjore Distt is on record. No specific mention of any insignia is made therein. The Ahobila Matha is an important and ancient institution and a display of the two special honours viz Mallam thoranam and umbrella with Vanamamalai may not be considered out of keeping with the Status of the institution. Being a foreign Matha, though having important local ties, a strict proof of the authority to display the honours in question need not be insisted upon

Subject:—

Tour of His Holiness the Swamigalu of the Sri Ahobila Matha.

The following papers relate to the issue of a Rahadari in connection with the proposed tour in the State of the Swamigalu of Sri Ahobila Matha.

2. In his letter No.845 dated 24th November 1915 Mr. E.Kuppuswamy Iyengar, the General Agent to the Matha, intimated that the Swamigalu proposed to enter the State, via Sathiamangalam, about the 1st week of January and requested that instructions may be issued to all Magisterial, Revenue and Police Officers to render necessary assistance and to show usual honours on the way.

3. The accompaniments of the Swamigalu and the insignia paraded by him are detailed below.

1. 4 Guns.
2. 1 Revolver
3. 4 Swords.
4. Piper set (4 men)
5. 1. Thiruchinnam.
6. 4 Umbrellas.
7. Silk Red colour five Malasam
8. " White colour. --- 1
9. " Red laced. -- 1
10. Elephants 2. One which carries two big drum.
11. 1, Horse with drum.
12. 1 Camel.
13. Bullock with drum.

21

14. Suruttis 6.
14a. Muchal 2
15. Makarathornam 1.
16. Silver sticks 2
17. Chamaram 2
18. Bullock bandies.
19. 3 Palanquins, one for Swamigalu and two for God.
20. 1 Palanquin made of elephant tusk.
21. Palanquin carriers. 32.
22. Bandymen. 11
23. Elephant tusker. 2
24. " feeder. 2
25. Dwaja Padam 1
26. Horse keeper. 1
27. Camel driver 1
28. Sepoys. 4
29. Cow feeder 1
~~30. 30 Sree Vaishnava Brahmin servants and about 30 followers.~~

4. Items 5 to 18, 20 and 25 are of the nature of insignia and of those the more important ones are (7) silk umbrella red colour five Kalasams, (8) white silk umbrella,(9) red laced umbrella, (15) Makara Thornam and (25) Dwaja Padam.

5. The General Agent of the Matha has not been able to produce any proof ~~any proof~~ that these insignia were authorized or that they were paraded in the State on any previous occasion. The only Rahadari issued by Government on a previous occasion (in 1903) merely directs that necessary assistance should be extended to the Swamigalu and does not detail the accompaniments of the --- Swamigalu.

6. Simple Sweta Chatri without the addition of Panchakalasa and Makarathorna, are not by themselves exceptional honours. There

are a large number of Mathas in the State who are entitled to parade them, many of them of a status not comparable with that of the Ahobila Matha. There does not seem to be any special significance in the laced variety of the red umbrella. Dwaja Padam has been explained by the Agent as merely a banner with a figure of Garuda, of the pattern usually hung from Dwaja Stambha of temples and there does not seem to be any objection to allow the Swamigalu to display these insignia.

7. The case is slightly different as regards the umbrella with Panchakalasa. ~~It is to be noted that it is not of the white variety which is considered to be a royal insignia and granted only to the highest Mathas.~~ There seems to be little doubt that the Swamigalu has been actually using such an umbrella in his tour in British India and the Matha appears to be of sufficient standing to permit the parade of this honour also, during the Matha's tour in the State.

8. Permission may accordingly be granted to the Swamigalu to display all the insignia mentioned in the application and a Rahadari in the usual terms may be issued.

further enquiry into the matter is required, instruction is solicited as regards the direction in which this should be held.

In the record of visits noted in the Vamsavalimalaka the presentation of a chatri with gold kalasa is noted as having been made at a visit in Ananda 1858-59. An extract from the Palace record furnished by the Palace contains as regards this visit the words that a ... with ... kalasa was already presented by the Municipality. There is nothing to show that the kalasa referred to is a Panchakalasa. The chief agent argues that a specific mention of kalasam can only mean a kalasa and not of the ordinary kind and that the fact that such a high insignia as a mukhal was also presented together with the chatri will also go to show that a chatri of specially high order was granted.

In his oral representation to me.

I have in another connection discussed the status of this matter and I need only mention here that

Although there is no mention of any such in the precis prepared ~~in 1888 in the Secretariat~~ however There is no doubt that this matter has been in enjoyment of such an honour. In the Vamsavalikara there is a clear mention of Pandalakalasa Sivatacharis [illegible] Kudli Srngeri matter. In Govt order No 5547-58 dated 28th May 1907 This matter was allowed to parak Pandalakalasadar Sivatacharis

what basis this enclosure in was arrived at as the file is not just now available It is not unlikely that it is based on what is called the 'Secretariat Compilation of 1888 which was compiled from information received from the Districts and mostly supplied by the Math authorities themselves. The compilation is thus in no sense authoritative Even in this compilation a deprivation of Pan chakalasata Swetha Chatri is made only in the case of Siva Sanga and Pankala mathas. The Smigeri matha mentions separately Pancha kalasa and Swetachatra in the same way as the Kandli Smigeri Matha, Ramanathapuram matha, Balehalli Matha and Dattatreya ~~Pattam~~ Pitha.

As regards Sivaganga, this honour has been definitely declined vide G.O no 3083 - 182 dated 23rd July 1889 The Ramanathapuram and Balehalli mathas do not appear to have taken out any Pahadaris. The Sannidhi of Dattatri Pitha applied for a Pahadari in 1892 for a journey in the Madras

In 1863 Alakapalli was prohibited to Balehalli but no mention is made of P. Swetachatri Thirtha G. Capt. Pearse's letter decries ~~the~~ Royal honours to this Swamy

Presidency and in recommending to the Residency some special honours such as Sweetmeals, Makam Swans and Panchakalas was omitted. In subsequent Rehadaris only ordinary honours have been allowed

It would thus be seen that clear proof of title to parate this honour is available only in the case of Sringeri, Parakala and Kudli Sringeri Mathas. The last-mentioned belongs to the same class as the Adhila Matha according to the gradation adopted in 1909.

Taking into consideration the view expressed by Govt. that even among the honours of Royalty, there are gradations, that Adhilpathi stands preeminent and that the others are in the assignment of a relative position in view of the number of Mathas and Adhila Mathas existing, often Mathas and the evidence has adduced, it appears by it would that the present case is a fit one where the honours claimed may be conceded

With reference to your letter No 7336 dated 30th Nov 1915 in No 571-14
I have the honor to inform you that a Report should be submitted by me during my absence on tour as to whether any special provision is required in the Puja Padhathi framed by the Board of Commissioners in regard to the flag with a figure of Garudan attached thereto which is to be called Garuda Jayapatakai which should be purchased & be put on it was ordered. But as far as I know that the flag is generally put up in all the temples in this district where a Garuda Vahanam is in use & they are called Garuda Jayapatakai. Therefore I suggest that no special provision is required in the Puja Padhathi framed by the Board of Commissioners in regard to the flag as it is already provided for in the Puja Padhathi.

To

Sir,

With reference to your letter No. 1986 Muz. -14-11 dated 18-2-16 ...

...information in connection with the Question of Dr. ... saying white leather ... with Panchakalasa ... in our Province, for further ... investigation I have the honour to state that the Sivadarshana with Panchakalasa is in the possession of the Mutt since ... the institutions ... have also learnt that ... by the late Highness Maharaja, Krishnarajendrayer swami, along with Morachal ... Golden Cradle, Gold Satari set with precious stones and some ... valuable Jewels. It is also referred in the Umayarthakara of the state and the date of granting is noted which can ... seen ...

I made an application for a copy of the accounts or Nirupam ... at the time of granting the above said Birudus ..., but regret to say, that I had a reply stating that no such records are ... ... in the offices or the Palace records, which also I learn that ... have been burnt ... in the fire accident

On receipt of the reply from the Palace Office I made an enquiry of the old people who had seen, accompanied and served in this Mutt in ... 1874. When His Holiness Sri Swamiji alwar

was on tour in the Province of Mysore and who had to stay at T. Narasipur for about 6 months have kindly furnished affidavits which I enclose herewith for your perusal.

Further I submit that out of all Boons of His Highness the Kanchal and Swedachatra with which are the most important. The said Boons were only granted to Holiness Swamigalu of Srirangam Sri Parakala, and Sri Ahobalam His Highness are always treating the above three mutts with reverence in all respects.

This Ahobilamutt was founded some 500 years ago by Sri Adivan Satagopa Yatigalu who was at Melkote in 1380 and established this Mutt on 1400 and since the Sanctions and the patronage of His Highness the Maharajas of Mysore and Vijanagar of reference may be made to several inscriptions taken by the Archaeological Department and the report of Kurnool Manual.

The Mutt possess enormous disciples all over India and therefore it is not possible to stop in one place permanently. Further the said mutt travelled through this Province only in 1873-74 and were unable to pay visits every now and then to establish their Boons and honors in this Province. On account of some disturbances occurred in the Mutt, the records of the Mutt have been scattered which we are collecting and so we are not in a position to say the actual date of granting the Swedacha Chatra with Pallaki Kalasa.

Therefore I, humbly and respectfully submit the above facts and affidavits for your Consideration and pray that a order be favoured to display among the Mutt Birudus, a white umbrella with Pallaki Kalasam.

Final Note by the First Member of Council.

Subject :-

Tour of His Holiness the Swamigalu of the Sri Ahobila Matt.

The following papers relate to the issue of a Rahadari in connection with the proposed tour in the State of the Swamigalu of Sri Ahobila Matt.

2. In his letter No. 849 dated 24th. Nov. 19 Mr. K. Kuppasami Iyengar, the General Agent of the Matha, intimated that the Swamigalu proposed to enter the State Via Sathayamangalam about the 1st. week of January and requested that instructions may be issued to all Magisterial, Revenue and Police Officers to render necessary assistance and to show usual honors on the way.

3. The accompaniments of the Swamigalu and the insignia paraded by him are detailed below :-

1. Guns 4
2. Revolver 1
3. Swords 4
4. Piper set 4 men.
5. Thiruchinnam 1.
6. Umbrellas 4.
7. Silk umbrella white five kalasams
8. " " One "
9. Silk red laced umbrella one "
10. Elephants 2 One which carries two big drums.
11. Horse with drum 1.
12. Camel 1.
13. Bullock with drum.
14. Paruttis 6.

15. Morchal. 2

16. Makarathoranam 1.

17. Silver sticks 2.

18. Chamaras 2.

19. Bullock bandies.

20. 3 Palanquins, one for Swamigalu and two for God.

21. 1 Palanquin made of elephant tusk

22. Palanquin carriers 32.

23. Bandymen 11.

24. Elephant tusker 2.

25. " feeder 2.

26. Dhwaja Padam 1.

27. Horse Keeper 1.

28. Camel driver 1.

29. Sepoys 4.

30. Cow feeder 1.

31. 30 Srivashnava Brahman servants and about 30 followers.

4. The Agent in his first letter mentioned that the umbrella entered as No. 7 was of red silk, but in his subsequent letter dated 19th. January 19 he corrected himself and stated that it was of white silk.

5. Items 5 to 18 20 and 25 are of the nature of insignia and of these the more important ones are (7) Silk umbrella, white colour, five kalasams, (8) White silk umbrella, (9) Red laced umbrella, (19) Makarathoranam and (25) Dhwaja Padam.

6. The General Agent of the Matha has not been able to produce any proof that these insignia were authorized or that they were paraded in the State. The only Rahadari issued by Government on a previous occasion (1843) merely directs that necessary assistance should be extended to the

Swamigalu and does not give details of the accompani-ments.

7. There arealarge number of Mathas in the State, who are entitled to parade many of these in-signia, of a status not comparable with that of the Ahobila Matha. There does not seem to be any special significance in the laced variety of the red umbrella. Dwaja Padam has been explained by the Agent as merely a banner with a figure of Garuda of the pattern usually hung from Dhwaja Stambha of temples and there does not seem to be any objection to allow the Swamigalu to display these insignia.

8. As regards the white silk umbrella with Panchakalasa the case is different as the honour has always been treated as a superior one. There seems to be little doubt that the Swamigalu has been using such an umbrella in his tour in British India and the Mathaappears to be of sufficient standing to permit the parade of this honour also during the Swamigalu's tour in the State.

9. The Council are of opinion that permission may be granted to the Swamigalu to display all the insignia mentioned above and that a Sahadari in the usual terms may be issued.
